Presenters will facilitate engaging 1-hour workshops and then provide 2 hours of school improvement planning time for participating schools.
• Schools should select one workshop to attend. For the best PD results register your entire school (certified and classified staff as appropriate) for the same session.
• Following the presentation schools will have time to determine how they can incorporate this new learning into their 2016-17 school improvement plan.
• The presenter will be available to provide support and answers questions.

Upcoming Title I PD Series dates:
October 27
November 23
March 9

Space is limited! RSVP by September 2!
Please contact Joyce Chambers at 531-299-0247 with the number of staff that will be in attendance.
