Marking Text

Essential Question - What are the steps in marking text?

Marking the Text

Marking the text is an active reading strategy that asks students to think critically about their reading.

3 Distinct Marks

- Numbering paragraphs
- Circulating key terms
- Underline important information

Numbering the Paragraphs

Always use a pencil to write the number near the paragraph indentation.

Circle Key Terms

- Key concepts
- Vocabulary
- Names of people
- Names of events
- Dates
- Numbers

Underline Relevant Information

- Underline central claims
- Evidence
- Facts about people, places, things, or ideas
- Cause/Effect Relationships

Summary - The steps to marking text is numbering paragraphs, circuling key terms, and underlining important information.
