Special Education Professional Development Offerings

The Special Education Division is pleased to be offering a variety of professional development opportunities that focus on the improvement of developmental outcomes and academic achievement of children with disabilities.

Sessions are scheduled throughout the 2016-2017 school year and are open to all administrators, general and special education teachers and paraprofessionals.

- Staff are welcome to attend multiple sessions.
- Certificated staff will receive the participant stipend of $15.00 per hour.
- Classified staff will receive the participant stipend at their hourly rate of pay.
- The Special Education Professional Development matrix indicates the various sessions along with the session descriptions, times and locations and is available on Sharepoint under Curriculum and Instruction Support, Special Education Announcements and Special Education Documents.

- Interested staff must register at inservices.ops.org
  - Go to inservices.ops.org
  - Enter your username (elogin)
  - Enter your password, which is your employee ID number (0 followed by 5 digits)

Registration opens on Monday, September 19, 2016.

Registration can occur throughout the school year and up to one week before individual sessions are scheduled. It is recommended that interested staff register a few weeks in advance of each session.

Contact Christine Young at christine.young@ops.org or 531-299-9464 if you have questions.
