Complete a field-by-field form in NoodleTools

1) Find your source. This one is from www.biography.com

2) In Noodletools, click Create New Citation.

3) Where is it? It comes from a website. Click on Website.

4) What is it? This source is a web page. Click on Web Page.

5) Noodletools provides you with a form to complete field-by-field. Do your best to complete each of the fields from URL to Publisher of the Site.

6) Click the green Submit button and you’re done!

Citation Success! Use the View Live Web Page link to get back to your source.
